SEW EASY™ Quick-Pieced Flying Geese Units

Try this method to make four perfect Flying Geese units at the same time.

1. On wrong side of each of four small squares, mark diagonal line corner to corner. This will be your cutting line. Mark sewing lines $\frac{1}{4}$ " away from each side of cutting line.

2. Place two small squares on opposite corners of one large square, right sides facing. Corners will overlap slightly at center. Sew along marked sewing lines.

3. Cut along marked cutting lines. Press seams toward small triangles.

4. Place remaining small squares on unit corners. Sew along marked sewing lines.

5. Cut along marked cutting lines.

6. Press seams toward small triangles to complete four Flying Geese units.

Products used: Havel's Self-Healing Cutting Mat, Havel's 6" x 24" Fabric Ruler, and Havel's 45mm Rotary Cutter.
Fabric from: Garden Glory collection by Maja Ronnback and Abstract Collage collection by Ampersand, both for Paintbrush Studio Fabrics.

TIP: This method works for any size Flying Geese unit. Cut the small squares $\frac{7}{8}$ " larger than the finished height and the large square $1\frac{1}{4}$ " larger than the finished width.
